

Garda Vetting ID Validation Form – Guidance Notes

As part of our overall safer recruitment process Mountaineering Ireland ask all prospective volunteers and instructors to go through the garda vetting process. The first step is to complete the ID validation check. The Garda Vetting ID Validation form must be signed both by the applicant and also by a Responsible Person (the person verifying the applicant's ID). There is a list of acceptable Responsible Persons on the reverse of the Garda Vetting ID Validation Form. The original form along with signed and dated copies of the ID presented must be forwarded to Mountaineering Ireland once completed.

Guidance for applicant:

- Please use a blue/black ball point pen and write clearly
- You must be a current member of Mountaineering Ireland in order to submit an application to us. You will be asked for your MI membership number.
- Roles to be vetted for – for the purposes of garda vetting:
 - Youth Coach shall include anyone who volunteers with members (in a club setting or otherwise) who are 18 years or under or with vulnerable adults. This can either be in a climbing or a walking setting. The term Youth Coach also covers any individuals working with the Talent Development Squad or on youth climbing events.
 - Club Children's Officer
 - Chaperone/Parent Duty – a volunteer involved in transporting youth members to and from sessions, anyone acting in a volunteer capacity at an overnight stay, parent duty – a parent who regularly volunteers with the club (where the same parent volunteers once a week, at least four times a month or overnight)
 - Provider – it is a requirement of your MI providership that you complete the garda vetting process before you start delivering MI courses/awards. It is also a requirement that you complete a re-vetting process when asked to do so by MI (usually every three years)
- **If you are under 18** – you will also need to present a completed NVB Parent Guardian Consent form along with your Garda Vetting ID Validation Form. Please ask your Club Children's Officer for this form or download from the Youth/Safeguarding and Volunteering section of our website www.mountaineering.ie
 - If under 18, the email address given on the Garda Vetting ID Validation Form must be that of the parent/guardian rather than the applicant.
- **Declarations – the box relating to declarations must be ticked in all cases**
- We would ask your parent/guardian to also go through the garda vetting ID validation process in support of your application
- Please present original pieces of ID for validation by a Responsible Person (see list on reverse of Garda Vetting ID Validation Form). ID provided must add up on at least 100 points (see

table on reverse of Garda Vetting ID Validation Form). You must also bring a photo copy of each piece of relevant ID – the Responsible Person should sign and date these and you can then submit them with your completed form to Mountaineering Ireland. **Please note that proof of name, date of birth, current address and photo ID must be evidenced in the documents provided. A driving license does not necessarily prove your current address so please provide a utility bill or bank statement dated within the last 6 months.**

- Signature – please ensure that both you (as applicant) and the Responsible Person has signed and dated the Garda Vetting ID Validation Form in the appropriate places.

Guidance for those verifying ID (Responsible Person):
